Patients with a pathology sample indicating any primary site cancer (excl NMSC*), count, persons all ages, Wales, 01/2018 to 12/2025

Produced by PHW, using LIMS (PHW)

Please note, as from December 2025, due to the introduction of the new Welsh Laboratory Information Management Systems (WLIMS2) system, for the time being and until a technical coding issue is fixed, we do not currently receive pathology reports indicating cancer. Therefore, we are not able to update the pathology analysis at present.
