Screening tests offered during your pregnancy

During your pregnancy you will be offered a number of different screening tests. Screening tests can help to detect some of the conditions that you or your baby may have.

Screening is your choice. Only you can decide whether to have the screening tests offered.

To help you decide please read the following information before your midwife booking appointment:

[Antenatal Screening Tests](#)

Easy read, audio and British Sign Language versions are also available at-

If you are unable to access the digital information, please speak to your midwife.

Testun safonol a awgrymir ar gyfer byrddau iechyd

Profion sgrinio a gynigir yn ystod eich beichiogrwydd

Yn ystod eich beichiogrwydd, byddwch yn cael cynnig nifer o wahanol brofion sgrinio. Gall profion sgrinio helpu i ganfod rhai o'r cyflyrau sydd gennych chi neu'ch babi.

Eich dewis chi yw sgrinio. Dim ond chi all benderfynu a ydych am gael y profion sgrinio a gynigir.

I'ch helpu i benderfynu, darllenwch y wybodaeth ganlynol cyn eich apwyntiad wedi'i archebu gyda'r fydwraig:
